New look for Silver Shadow

07 April 2011

Over two weeks, Silversea Cruises' luxury cruise ship *Silver Shadow* has undergone a major renovation in Singapore. Returning to service on March 19, the new look ship now echoes the contemporary design themes and warm colour palettes of Silversea's newest ship, *Silver Spirit*.

The makeover has given new shimmer and shine to suites, public areas and outdoor spaces.

Highlights include replacement of carpets, headboards, curtains and veranda furniture, re-upholstered sofas and chairs and new custom made mattresses in every suite.

Public areas have been treated to new upholstery, carpeting, curtains and wall treatments, while the spa features new tiling and wall décor. Audiophiles will also be pleased with the upgraded sound systems installed in the Show Lounge, Panorama Lounge and La Terrazza.

Outside, the pool features shiny new tiles inside and out, complimented by new deck furniture; the al fresco sections of La Terrazza and the Pool Grill now have new awnings.
