Norwegian Merchandise

05 April 2011

Shops, I mean real shops, are so last century.

Technologically minded consumers and travel partners of Norwegian Cruise line can now purchase a selection of the cruise line's branded merchandise online.

The new website, which launched on March 28, features Norwegian Cruise Line apparel, travel items and promotional paraphernalia for men, women and children.

Clothing, targeting the resort-casual savvy cruiser, includes fleeces, jackets, sweat suits, shirts and caps, a selection of baby bibs and one-pieces, and t-shirts for toddlers.

Style, sustainability and convenience also combine in an extensive range of *Norwegian Epic* travel products: ceramic vinyl sleeved coffee mugs, aluminum water bottles and reversible Tote bags (with simple or stylish design options), are some examples.

Plus, if you're a past guest you'll receive a 10 per cent discount. Too easy!
