# go, go gadget

Here's our pick of the most fashionable and functional fitness gadgets around.

### Goodlife iPhone Application, free

This app allows you to check the times of your favourite group workouts, book a session, find your closest club and get expert tips and advice on refining your fitness regime. [itunes.apple.com/au](http://itunes.apple.com/au)

### Sennheiser MX 680i Sports headset, \$119

These iPhone-friendly earphones will stay in your ears, no matter how vigorous your workout. [www.sennheiser.com.au](http://www.sennheiser.com.au)

### Black Wolf Rattler Hydration Pack, \$69.95

For hydration on the go. With nifty pockets, music port and waterproof zips this pack will hold your drink of choice, and more. 1800 227 070

### Speedo AquaLap Finger Watch, \$89.95

Designed to fit on your finger, this innovation from the swim-experts at Speedo means you'll never lose count of your laps again, whether you're on the track or in the pool. 03 9580 6268

**WIN**  
 Tell us in 25 words or less your best swimming tip for your chance to win this watch!
